

LEFT: Leo Kanner. The autism awareness ribbon displays colored puzzle pieces, reflecting the mystery and complexity of the autism spectrum disorders.

Black hair from anger and confusion at being long-lost in Paleo-America is Autism's main sign and symptom, so conspicuous that the world's been turned upside-down to keep that covered-up. Dr. Kanner was Jewish from Autist-enslaved Berlin sent to here... (illus. from Wade Pickren, 2014, The Psychology Book.) (Kathy Foshey, 3/15/16)
