

Henry Morgan  
is Key to how

a Key  
middle-person  
between the  
Jesus "father and  
son" days and

a generational  
slave to the  
Autists and  
their buddies,  
all "brain-eater-  
-ingesters."

I'm lucky to  
have the time  
just to get

am - figuring that he and von Humboldt got us, the Autists, this
