Through the medium of many and various voices the hearts and souls of the two downtowns are revealed. In DOWNTOWN each is celebrated as the unique and wonderful place we've always known it to be. DOWNTOWN is the story of downtown St. Paul and Minneapolis as told in the words of the people who've lived it.

DAVID ANDERSON is a bookseller from Stillwater, Minnesota. He is the editor of *Quotations from Chairman Calvin* and *Before the Dome: Baseball in Minnesota When the Grass Was Real*. He is currently at work on a collection of short stories and a history of town baseball in Minnesota.
